

The ancient and historically famous Thrikkur Mahadeva Temple will celebrate the next edition of its annual Utsavam (Thiru Utsavam) from January 16, 2024– January 23, 2024 (Makaram 02– 09, 1199). Thiru Utsavam is conducted based on the culmination of firm belief and undaunted devotion to the diety. This is an occasion for performing annual traditional pujas and offerings to the diety to enhance Deva Chaithanyam, accompanied by performance of temple arts and music by renowned artists alongwith other cultural programmes to enliven the atmosphere. Thiru Utsavam is an integral part of every Hindu Temple and holding the utsavam allows in enhancement and spread of Deva chaithayam (God's grace). Presence of the devotees at the temple during the utsavam helps purification of their mind and soul, and also helps in development of the society and nature as a whole. It is therefore our earnest appeal to all devotees to ensure their presence, render all possible help and cooperation in smooth conduct of the thiru utsavam and gain the blessings of Lord Mahadeva.

Secretary, TMBS

TMBS also take this opportunity to thank all devotees for their support and assistance in conduct of the Thiru Utsavam during the previous years
